## Warren County 4-H Equine Project Description Form

4-Her's Name \_\_\_\_\_

County \_\_\_\_\_ 4-H Club Name \_\_\_\_\_

Animal's Official Name \_\_\_\_\_ Animal's Barn Name \_\_\_\_\_

Horse \_\_\_ Pony \_\_\_ Donkey \_\_\_ Mule \_\_\_ Height \_\_\_\_\_ Sex \_\_\_ Age \_\_\_

Breed/Type (saddle, hunter, stock) \_\_\_\_\_ Basic Color \_\_\_\_\_

On diagram below, OUTLINE with dark solid lines ALL white markings. Show ALL SCARS and BRANDS.

Check if leased horse

The diagram shows a horse from four perspectives: Right Side View, Left Side View, Rear View, and Front View. Each view includes numbered arrows (1-4) pointing to specific areas on the horse's body. The Right Side View labels include HOCK, ANKLE, PASTERNA, KNEE, and Fore Legs. The Left Side View labels include HOCK, ANKLE, PASTERNA, KNEE, and Hind Legs. The Rear View labels include HOCK, ANKLE, PASTERNA, KNEE, and Fore Legs. The Front View labels include HOCK, ANKLE, PASTERNA, KNEE, and Hind Legs. In the center, there are two drawings of a horse's head with arrows pointing to them and the text "DRAW IN HEAD MARKINGS". Below the head drawings, it says "DRAW IN EVERY WHITE AREA". At the bottom center, it says "INDICATE ALL DARK SPOTS WITHIN WHITE AREAS".

# 4-H Equine Health Records

Below is a list of vaccinations that each animal must have before showing at the current year's Warren County Fair. The following vaccination records must be submitted along with the Equine Project Description Form to the Extension Office by May 31, 2012.

1. TETANUS
2. INFLUENZA
3. ENCEPHALOMYELITIS (EASTERN & WESTERN)
4. RHINOPNEUMONITIS
5. COGGINS TEST

Each horse must have a Negative Coggins Test taken after July 22, 2011. A copy of the NEGATIVE Coggins Test results should be attached to this sheet. Please be aware that you need the test RESULTS; not just a statement that the blood has been drawn.

These requirements are to protect your animal as well as the other animals at the fair from these extremely contagious diseases. Please attach proof of vaccinations\* and return to the Extension office by May 31, 2012. Receipts for vaccinations must be attached.

There are other vaccinations that might be advisable, including West Nile Virus. Please ask your vet for their recommendation.

Information about vaccinations, diseases and worming is included in the Beginning Horse Management project book (#174).
